

The Roanoke REBOS Newsletter May 2024

A Beacon of Hope

She Rises from the Ashes!

***The new meeting building is actually taking shape
and will be open for business Mid July!***

Page One

The interior will feature new ADA compliant bath facilities with private entrances, as well as a user friendly kitchen and locker facilities for each group.

The color schemes will feature much warmer surroundings that will encompass the warmth of the house with the room needed for larger gatherings.

Your REBOS Board of Directors

As most of you are aware, the club membership elects directors to the Rebos Board at the Annual Membership meeting in January of each year.

Those individuals elected to the board are charged with the responsibility of managing and maintaining all Rebos facilities while exercising the fiduciary responsibilities as called for in our charter.

The board meets on the First Sunday of each month at 4:00 PM in the Board Room of the Club house. All club members who are current with their dues are welcome to attend the meetings, but there are specific items that must be addressed by the board each month that are covered in a pre-printed agenda, which will be available to all in attendance.

If an individual club member has an issue that they would like to see the board address, we ask that you please limit your dialog to three minutes at the appropriate time. There will be a time at the end of each meeting allocated for membership input.

If you have an issue that would require more in-depth discussion, please contact an individual board member throughout the month so that it can be appropriately addressed at a future date.
